

Commitment to Health and Safety

WE BELIEVE

the people of East Penn are the heart of the company. It is the top priority of our company and management team to provide a healthy & safe workplace for all our employees.

WE ARE FULLY COMMITTED

to continuous improvement in Occupational Health and Safety performance and prevention of workplace illness and injury.

WE DEMONSTRATE

our dedication to the welfare of the workforce and the community by meeting or exceeding health and safety laws, regulations, and other goals.

HEALTH AND SAFETY AWARENESS

must be maintained at all times.

All employees are encouraged to participate in Health & Safety initiatives for the benefit of all.

It is everyone's right and responsibility to practice safe work habits.

LIKE A FAMILY

we make safety a top priority. We protect each other by practicing injury and illness prevention.

With everyone's commitment, we will achieve a safe and rewarding work environment. This commitment can be summarized by our Health & Safety Philosophy:

No Task Is So Important It Cannot Be Done Safely
