

**A SERIOUS BATTERY FOR SEVERE SERVICE**

# INTIMIDATOR®

The hardest used vehicles are typically the ones that are depended on the most. Emergency, police, and "stop and start" driving vehicles need a special battery that can handle abusive conditions while delivering unfailing reliability.

The Intimidator AGM battery is designed with an intimidating durability that withstands this demanding service.

- Reinforced internal design ensures added durability
- Tightly compressed structure safeguards against intense vibration
- Highly efficient recharging delivers best performance under tough conditions
- Additional power for accessories meets electronic needs of severe service vehicles
- 100% maintenance-free design saves unnecessary downtime
- Spillproof construction protects vehicle and electronic equipment
