

COMMERCIAL TRUCK / AGRICULTURAL STARTING

Keep Heavy-Duty Equipment Running at Top Performance

MAGNAPOWER®

Demanding commercial equipment requires nothing less than the most powerful, reliable batteries. This complete line of the toughest commercial product is specially engineered for durability while meeting high power ratings for heavy-duty engines.

Electrical Short Prevention System

Protects power-producing components from life-robbing electrical shorts

Rugged vibration resistant construction

Reinforced internal design withstands heavy-duty use

Maintenance-free or maintenance-accessible designs

Maximizes convenience, minimizes water loss for extended operation

Anchor-locked elements and tight-packed construction

Resists demands of grueling daily use and off-road conditions

Commercial-tough polypropylene case and cover

Resists breakage to protect equipment and extend service life
